# **PREMIUM SERVICE PACKAGE**

DYNAMIC. FAST. INDIVIDUAL.

# MYDOCKING SELECT

## The plus for service partners

The new **mydocking SELECT** service makes for significant advantages in terms of costs, performance, and individual customer support.

Faster delivery times, flat rate transport costs, exclusive offers or personalized documents make the service partners of mydocking **ALWAYS ONE IDEA AHEAD.**

## The benefits at a glance

						
Next-day delivery	LT 10	Transport costs included	TOP 100 campaign	Exclusive offers	Individual documents	Specific pre-information

# NEXT-DAY DELIVERY

## When speed is of the essence

If your order comes in before 11 a.m., **in-stock** replacement parts will be delivered by 12 noon the next day.

### Your PLUS

- No storage costs
- Fast and flexible responsiveness
- Short downtimes
- Optimal service
- Time savings

# LT10

## Unbeatable performance

Defined dock levellers and dock shelters are ready for shipping from the production site within 10 working days. This is a significant optimization of the customary delivery period of 6 to 8 weeks. Stock can even be called off immediately, with delivery possible within a week in Germany.

### Your PLUS

- Short delivery times
- Fast response to malfunctions
- High customer satisfaction
- Short-term installation possible
- Clear competitive advantage

# TRANSPORT COSTS INCLUSIVE

## The flat rate for your transports

Transports for in-stock replacement parts are provided free of charge during the booked time period.

Plan your transport costs for next year already today. You can book the package in advance per quarter or directly for a year.

You will realize how quickly the **mydocking SELECT** package is amortized by its flat-rate transport costs.

## Your PLUS

- Calculable price
- No warehouse stocks required
- No stock orders required
- Quarterly or annual booking available

## TOP 100 CAMPAIGN

### The mydocking ranking

Items from the top 100 sales articles are offered with an additional 10 % discount for one month.

Our top 100 are defined as follows:

We internally list the top sellers amongst all the products sold per month. One item randomly selected from this list will be discounted by an additional 10 %.

### Your PLUS

- Cost savings
- Monthly term
- Early announcement
